Northwest ENERGY STAR Homes

PROGRAM BENEFITS & REQUIREMENTS:

1. Performance Testing Contractor Partner will be listed on the Northwest ENERGY STAR Homes website as a participating performance testing contractor.
2. Performance Testing Contractor Partner will be offered training and information in energy efficient technologies and installation techniques.
3. Performance Testing Contractor Partner will be offered cooperative marketing funds and other regional marketing tools.
4. Performance Testing Contractor Partner will adhere to Northwest ENERGY STAR Homes compliance requirements and complete performance testing as required by the Northwest ENERGY STAR Homes program
5. Performance Testing Contractor Partner will test at least one (1) home to the Northwest ENERGY STAR Homes compliance requirements within 12 months of signing this agreement. In any 12 months during which the Performance Testing Contractor Partner does not test at least one (1) home to the Northwest ENERGY STAR Homes compliance requirements, Performance Testing Contractor Partner will no longer be entitled to the benefits described here.
6. This agreement is voluntary and can be terminated by either party at any time for any reason, with no penalty.

National ENERGY STAR For Homes

TERMS & COMMITMENTS:

ENERGY STAR's Commitments to Partners

1. Increase awareness of the ENERGY STAR label by distributing key messages on the benefits of ENERGY STAR qualified homes and homes-related products.
2. Provide (via the ENERGY STAR website, hotline, e-mail or other means) current ENERGY STAR news, information, and reference documents.
3. Provide ENERGY STAR Partners with public recognition through the online ENERGY STAR partner locator tool, special awards, and other media for their involvement in ENERGY STAR and role in protecting the environment.
4. Respond expediently to any Partner requests for information or clarification on ENERGY STAR policies.

General Commitments for ENERGY STAR Partners

1. Use the partnership and the ENERGY STAR label to promote energy efficiency as an easy and desirable option for new home buyers to prevent pollution, protect the environment, and save on energy bills.
2. Adhere to the ENERGY STAR Identity Guidelines (available at www.energystar.gov/logos) and ensure that authorized representatives, such as advertising agencies, distributors, and subcontractors, also comply.
3. Adhere to the ENERGY STAR Web Linking Guidelines (available at www.energystar.gov/partners). Failure to do so can result in the loss of linking privileges from the ENERGY STAR Website.
4. Qualify at least one ENERGY STAR labeled home within any ongoing 12-month period. Partners not fulfilling this requirement will be deemed 'inactive,' thereby forfeiting all rights to the ENERGY STAR name and logo, their listing on the online ENERGY STAR partner locator tool, and any inclusion in ENERGY STAR promotional materials.
5. Affix an ENERGY STAR label to all homes that are independently verified to meet the ENERGY STAR performance guidelines.
6. Clearly inform home buyers when their new homes have qualified for the ENERGY STAR label and be able to describe the features and benefits of these ENERGY STAR labeled homes.
7. Provide a home energy rating report or relevant Builder Option Package for any labeled home upon EPA's request.

General Terms and Disclaimers

1. Partner will not construe, claim, or imply that its participation in ENERGY STAR constitutes federal government approval, acceptance, or endorsement of anything other than the Partner's commitment to ENERGY STAR. Partnership does not constitute federal government endorsement of the Partner or its homes or services.
2. Partner understands that the activities it undertakes in connection with ENERGY STAR are voluntary and not intended to provide services to the federal government. As such, the Partner will not submit a claim for compensation to any federal agency.
3. Partner and ENERGY STAR will assume good faith as a general principle for resolving conflict and will seek to resolve all matters informally, so as to preserve maximum public confidence in ENERGY STAR.
4. This agreement is voluntary and can be terminated by either party at any time for any reason, with no penalty.
5. Failure to comply with any of the terms of this Partnership Agreement can result in its termination and cessation of access to the benefits of ENERGY STAR, including use of the logo marks.
6. ENERGY STAR will actively pursue resolution of noncompliance related to the use of the ENERGY STAR marks.
